Re: Archer Daniels Midland Co (Illinois EPA BOA ID# 115015AAE)
Construction Permit (15100017)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Illinois EPA wants to provide you with information about a potential Illinois EPA action. The Illinois EPA is sending this letter to notify you of an application received by the Illinois EPA Bureau of Air (BOA).

The Illinois EPA has received a construction permit application from Archer Daniels Midland Co for its facility located at 4666 Faries Parkway in Decatur. The application requests to revise an existing construction permit. The revision would replace the facility's existing crystallizer with two smaller crystallizers.

The application is currently under review by the Illinois EPA's Bureau of Air.

If you have questions about the application, please contact Chris Pressnall, Environmental Justice Officer at (217) 524-1284, chris.pressnall@illinois.gov. If you would prefer to receive these notifications **via email**, please contact Victoria Martin (victoria.martin@illinois.gov).

Sincerely,

Chris Pressnall
Environmental Justice Officer
